ELIGIBLE EXPENDITURE

To be eligible, the applicant must carry out an investment project which would lead to the creation of at least 10 new jobs with the obligation to maintain them for a period of at least 5 years for large companies and 3 years for small and medium enterprises.

The state aid will be granted for eligible expenditure resulting from **salary costs recorded for a period of 2 consecutive years, within the limit of the medium national gross salary**, approved by the annual social state insurances budget law, available for the year of the Financing Request submission.

HOW TO OBTAIN APPROVAL FOR FINANCING?

The process of approval of the application for financing will be carried out in two stages:

1. **Registration of the applications for financing agreement:** the applicant shall submit to the Ministry of Public Finance documents such as: application for financing agreement, statement that the company belongs to the category of small and medium enterprises, confirmation of company details, approved annual financial statements, plan for the creation of jobs, fiscal certificate, power of attorney signed and stamped by the legal representative.

The registration of the applications is performed in sessions as announced by the Ministry of Public Finances.

2. **Final selection:** based on the response from the Ministry of Public Finance, the company selected in the first evaluation stage will submit to the Registration office the second part of the documentation of the investment project which includes the business plan accompanied by supporting documents. The Ministry of Public Finance will review the documentation and, if there are no requests for additional information, it will send:

- a) the Financing Agreement;
- b) the Rejection of the investment project

COLLECTION OF STATE AID

The payment of the state aid will be carried out after bearing the eligible expenditure in full or in part, provided that the first reimbursement of the expenditure is carried out after the creation of minimum 10 new jobs (out of which at least 3 for disadvantaged workers).

MAINTAINING AND MONITORING THE INVESTMENT

The company has the obligation to maintain for **minimum 5 years for large companies and 3 years for small and medium enterprises:**

- the Initial investment in operating status
- each new job created (from the date on which it was first filled in)
