Our Delegation to the Summit

AmCham Romania and the **U.S. Commercial Service of the U.S. Embassy to Romania** work together to organize the Romanian delegation to the Summit. We strongly encourage all local companies and entrepreneurs that consider expanding to the U.S. to join us in 2023 at the SelectUSA Investment Summit as this is a one-stop-shop for foreign investment in the United States.

By joining our delegation, you will benefit from support with and information about your application to attend the Summit and practical arrangements for your stay in National Harbor, MD. You will also have the chance to attend our joint orientation session prior to the departure and coordinate your program at the Summit with other participants from Romania.

Some Final Considerations

To make the most of your participation to the Summit, we encourage you to plan in advance for the sessions (plenary and technical) that you want to join. The Summit agenda is subject to change, so please keep an eye on the latest information made available by the organizers.

It is advisable to settle for a few sessions that you want to attend to make sure you leave enough room in your schedule to meet with the EDOs exhibiting and the Summit.

Before the Summit kicks off, the online Summit platform will go live and will allow you to customize your Summit agenda, see who else is attending and request/accept 1-to-1 meetings with other attendees.

At AmCham Romania we will do our best to keep you informed of the latest news and updates from SelectUSA, but if you would also like to be kept in the loop with practical details, please make sure you let us know you are interested in joining the Summit.
