for All

WORLD IMMUNIZATION WEEK
24-30 APRIL 2020

#VaccinesWork for All

- At all ages, vaccines save lives and keep us safe.¹
- While most children today are being vaccinated, far too many are left behind.¹
- Everyone can be a vaccine champion.¹
- Vaccines defend us against deadly diseases.¹
- Two key reasons to get vaccinated are to protect ourselves and to protect those around us.¹
- All the ingredients in a vaccine help ensure they are safe and effective.¹
- It is important to get the vaccines you need – on time, every time.¹
