

# Trade Mission

Your next **business development** destination.

February 27, 2023 | **Oradea**

Join AmCham Romania and the U.S. Commercial Service of the U.S. Embassy in Romania for a **one-day trade mission to Oradea** and discover business investment and development opportunities in **agriculture, constructions (incl. infrastructure), IT&C, tourism** and **transport and logistics**.

We invite AmCham member companies that are looking for business opportunities in Romania to a trade mission to Oradea scheduled for February 27, 2023. The visit will include meetings with the President of the Bihor County Council and the Mayor of Oradea, a site visit to industrial park facilities in the Greater Oradea Area and local networking sessions.

- ✓ meetings with local decision-makers
- ✓ visit to local business facilities
- ✓ local networking

The trade mission will primarily focus on business development opportunities in agriculture, constructions (including infrastructure), IT&C, tourism and transport and logistics (with other industries welcome to join) and is designed to allow participating companies to learn directly from local decision-makers about development plans and available investment stimulus in Bihor County. The trade mission will also facilitate networking opportunities with the local business sector and key local stakeholders.

**The cost of participation is EUR 100 / person.**
