

## Who we are & what we do

We are a vibrant business community of **+470 members** – U.S. based, International and Romanian companies that share the common vision for Romania’s development and work together to promote policy recommendations aimed at making Romania a better home for businesses and for increasing its role at a regional, European and global level.

Beyond advocacy-related activities, we offer members a wide array of events, learning sessions and special projects which offer valuable occasions for networking, best practices exchange and business growth opportunities.

## Why Join AmCham Romania - Benefits for you

### Access & relationships

- ▶ Meet with key decision-makers from all levels of Government
- ▶ Attend business networking events bringing together key stakeholders and business leaders
- ▶ Close collaboration with other US-EU organisations including the U.S. Embassy in Romania and the AmChams in Europe network
- ▶ Have an early notice of the changes in legislation impacting your business

### Contribute to shaping the economic policy agenda

- ▶ Take part in initiatives to improve/modernize policy and respond to changes in legislation affecting member company operations and Romania’s overall investment profile
- ▶ Participate in committees, task forces, and working groups and, thus contributing to drafting official AmCham Romania positions on key policy issues
- ▶ Advocacy on cross-sectoral, horizontal issues impacting the business and investment climate

### Corporate branding & profiling

- ▶ Visibility on AmCham Romania’s website and in our publications to showcase your company’s success stories, best practices, commercial offers, expertise, events
- ▶ Eligibility for leadership positions within AmCham Romania Board of Directors, committees, task forces and work groups
- ▶ Enhance your company’s public profile through accessing our versatile sponsorship packages
