U.S. Commercial Service Romania

Impactful Investment & Recruitment Plan

About SelectUSA

- Established by President Obama in 2011, SelectUSA is the first federal government-wide effort to facilitate business investment as an engine for job growth.
- SelectUSA is a service and a resource for the global investment community
- Housed in the **U.S. Department of Commerce**, SelectUSA is part of the International Trade Administration and leverages the U.S. Foreign Commercial Service (USFCS) staff in 72 markets around the world. The U.S. Embassy Commercial Section coordinates closely across sections at Post to serve a client's needs comprehensively.
- Commercial Section coordinates closely across sections at Post to serve a client's needs comprehensively.
- SelectUSA coordinates investment-related resources across U.S. federal agencies. In **Washington, DC**, the SelectUSA HQ team covers worldwide markets and coordinates investment policy and promotion activities with field staff across U.S. Embassies and Consulates.

2018 SelectUSA in numbers

3,000+ attendees

1,200 global investors

66 different markets

700 economic development officials

51 states and territories.

- Initiate **new relationships**: Meet with hundreds of economic development organizations (EDOs) and thousands of potential investors in one place
- Learn about **resources** and **tools** to invest in the United States
- Obtain an overall impression of the **market** situation
- Connect efficiently: Online and on-site **matchmaking** makes it easy to meet the right people and get the most out of your visit
- Gain new perspectives from **top-level executives, government officials** and **industry leaders**

Why to attend?

➤ The SelectUSA Investment Summit is a time-saving mechanism for investors who are thinking about establishing or expanding operations in the United States. The Summit is the most cost-efficient and time-efficient means to accomplish the following tasks:

➤ **Networking** – Set up meetings with economic development professionals, service providers, and government leaders through the online matchmaking program to get the tools and information you need to make a smart investment in the United States

➤ **Education** – Learn more about how, where, and why to invest in the United States

➤ **Access to Resources** – Hear about resources and incentives directly from federal, state, and local officials

Who attends?

- **Investors**, including representative of international and domestic businesses of all sizes, that are seeking to establish or expand operations in the United States
- Representatives of **U.S. economic development organizations**
- Representatives from **U.S. state and local governments**
- **Advisors, service providers, companies, chambers of commerce, and associations** facilitating direct investment into the United States
